

ARMY WEST POINT™

WOMEN'S SOCCER

ARMY WEST POINT GIRLS SUMMER SOCCER CAMP WEEK 2

July 19-July 22, 2020

Description: A fun and challenging camp in every way! Soccer sessions will focus on technical and skill improvement. Our top coaches will conduct training sessions working on ball mastery, passing, control, shooting/finishing, defending, and heading. We also offer a goalkeeping camp specific for the position. During one afternoon, our campers will get to go through our leadership and teamwork course and take part in our soccer skills challenge course. Each day will feature competitive games in our annual World Cup tournament, and the last day, campers will take part in our Micro Soccer Tournament or, have the chance to play in the camp All-Star Game in our football facility, Michie Stadium. Other social activities include our 'one of a kind' talent show! Our camp is structured to not only develop better soccer players but to develop self confidence, teamwork, and leadership within each camper. Go Army!
