## HOCKEY CAMP INFORMATION

### - Cancellations

- All refunds must be approved by the Camp Director. Refunds are processed on a case by case basis and you will be notified once a final decision has been made regarding any refund.

### - Camper Dining

- Campers will dine at the West Point Club, a very visible and prominent location on campus. First Meal served to your camper will be dinner on Sunday. Campers will be served breakfast, lunch and dinner daily. On the last day of camp your camper's last meal served will be either lunch or dinner.

**NOTE:** Your children will be well-fed at camp. If you choose to send snacks with them, we ask that these snacks be limited in quantity and be healthy in nature as past experiences have shown us young campers tend to overindulge. Thus, resulting in stomach-aches and 'sugar highs' that are unpleasant for all involved. The children will also have the opportunity to purchase snack items from Grant Hall on a cash only basis.

### - Camper Housing Rules

- We ask that campers do not bring valuables. The United States Military Academy and Army Athletic Association are not responsible for lost or stolen items.
- The United States Military Academy has a Zero Tolerance for theft or damage to personal or government property.

### - Camp Store

- On the day of registration, we will have a camp store table where you can open an account for your child. Parents, please bring CASH ONLY to put into your child's account. We will not be accepting credit cards or checks on that day. A camp representative will have an envelope with your child's name on it and the money will be deposited. Each night your child will be able to purchase snacks, soda, etc. and the purchase amount will be deducted from the account. This policy will prevent campers from leaving money in their rooms. At the end of camp, the remaining balance will be placed in your child's checkout envelope.
