ARMY MEN'S BASKETBALL ELITE CAMP SESSION II

August 7, 2020

Description: Camp will begin Friday afternoon. Elite campers will get the opportunity to compete in front of the Elite Camp staff which includes all of the Army West Point Basketball coaches, along with coaches at other college institutions. Each camper will receive either a camp shirt or shorts, as part of their camp tuition. Campers will be responsible for their own lodging. This is a high paced and intensity camp which advanced basketball players tend to benefit from.
